- T. Protection of Sensitive U. S. Intelligence Date, Sources and Methods.
- 2. Controls on release of classified information to foreign govern-

DCI Members of the National Military Information
Disclosure Policy Committee (NDPC) continue to participate
actively in the work of the Committee. For the past few
months, the revision of NDPC-1, "National Policy and Procedures for the Disclosure of Classified Military Information
to Foreign Governments and International Organizations,"
as been underway which, upon completion, will streamline
the Committee's operations and ensure tighter control over
